VOTING PLAN FOR BOYLE COUNTY 2023 General ELECTION

The Boyle County Board of Elections met to discuss the Election Plan for future elections for this County. The Board of Elections has chosen to keep 5 of the six voting centers from the last election. We have taken the steps to add The Showroom as the 6th location, leaving off the Boyle County Fire Station.

DROP BOX LOCATIONS

Drop box one is located outside the courthouse by side door. Drop box two is located inside the front doors by court security station.

EXCUSED & NO EXCUSE EARLY VOTING

No excuse early voting will be held at The Showroom at 2405 Lebanon Rd in Danville. Excused early voting will take place in the Boyle County Courthouse at the Clerks Office.

ELECTION DAY

There will be a total of six voting centers spaced geographically for the North, South, East, West and central areas of the County.

1. Perryville Baptist Church
2. Parksville Baptist Church
3. Junction City Baptist Church
4. Inter County Coop
5. First Christian Church
6. The Showroom

On the maps, I have marked the six voting locations. VC1, VC2 and VC3 are in the County and VC4, VC5 and VC6 are in the city limits of Danville. VC2 and VC6 have been added as two additional voting centers for Election Day. VC6 will be used this election for both early and election day voting.

We have planned for approximately 14 precinct officers at each location including informational personnel to direct voters where to go.

Our County will continue to use Hart verity voting machines in this election.

Voters will be notified of the early voting center and election day voting center locations on facebook, radio and newspaper.

The Showroom is a bigger location with more parking and better accessibility. This location allows us to add a scanner to accommodate more voters.

4.) How will the voting location serve as a focal point to meet the needs of a diverse community? This location is less than 1 mile from the old location, BCFD Station 1. It is on the corner of the highly travelled bypass in Danville giving both County and city voters an easy alternative to vote. The Showroom has a huge parking lot with plenty of space. The large venue will give voters and pollworkers plenty of space and the ability to handle large turnouts. This location will be used for early voting and election day due to its size and location.
