State Board of Elections,

2/9/2024

Rowan County would like to make all seven voting locations a Voting Center. We have Scanners & Printers for print on demand ballots. This will make voting more convenient for the citizens of Rowan County. Attached you will find all SBE 74 forms and a county map with the locations of all centers.

Sincerely,

State Board of Elections,

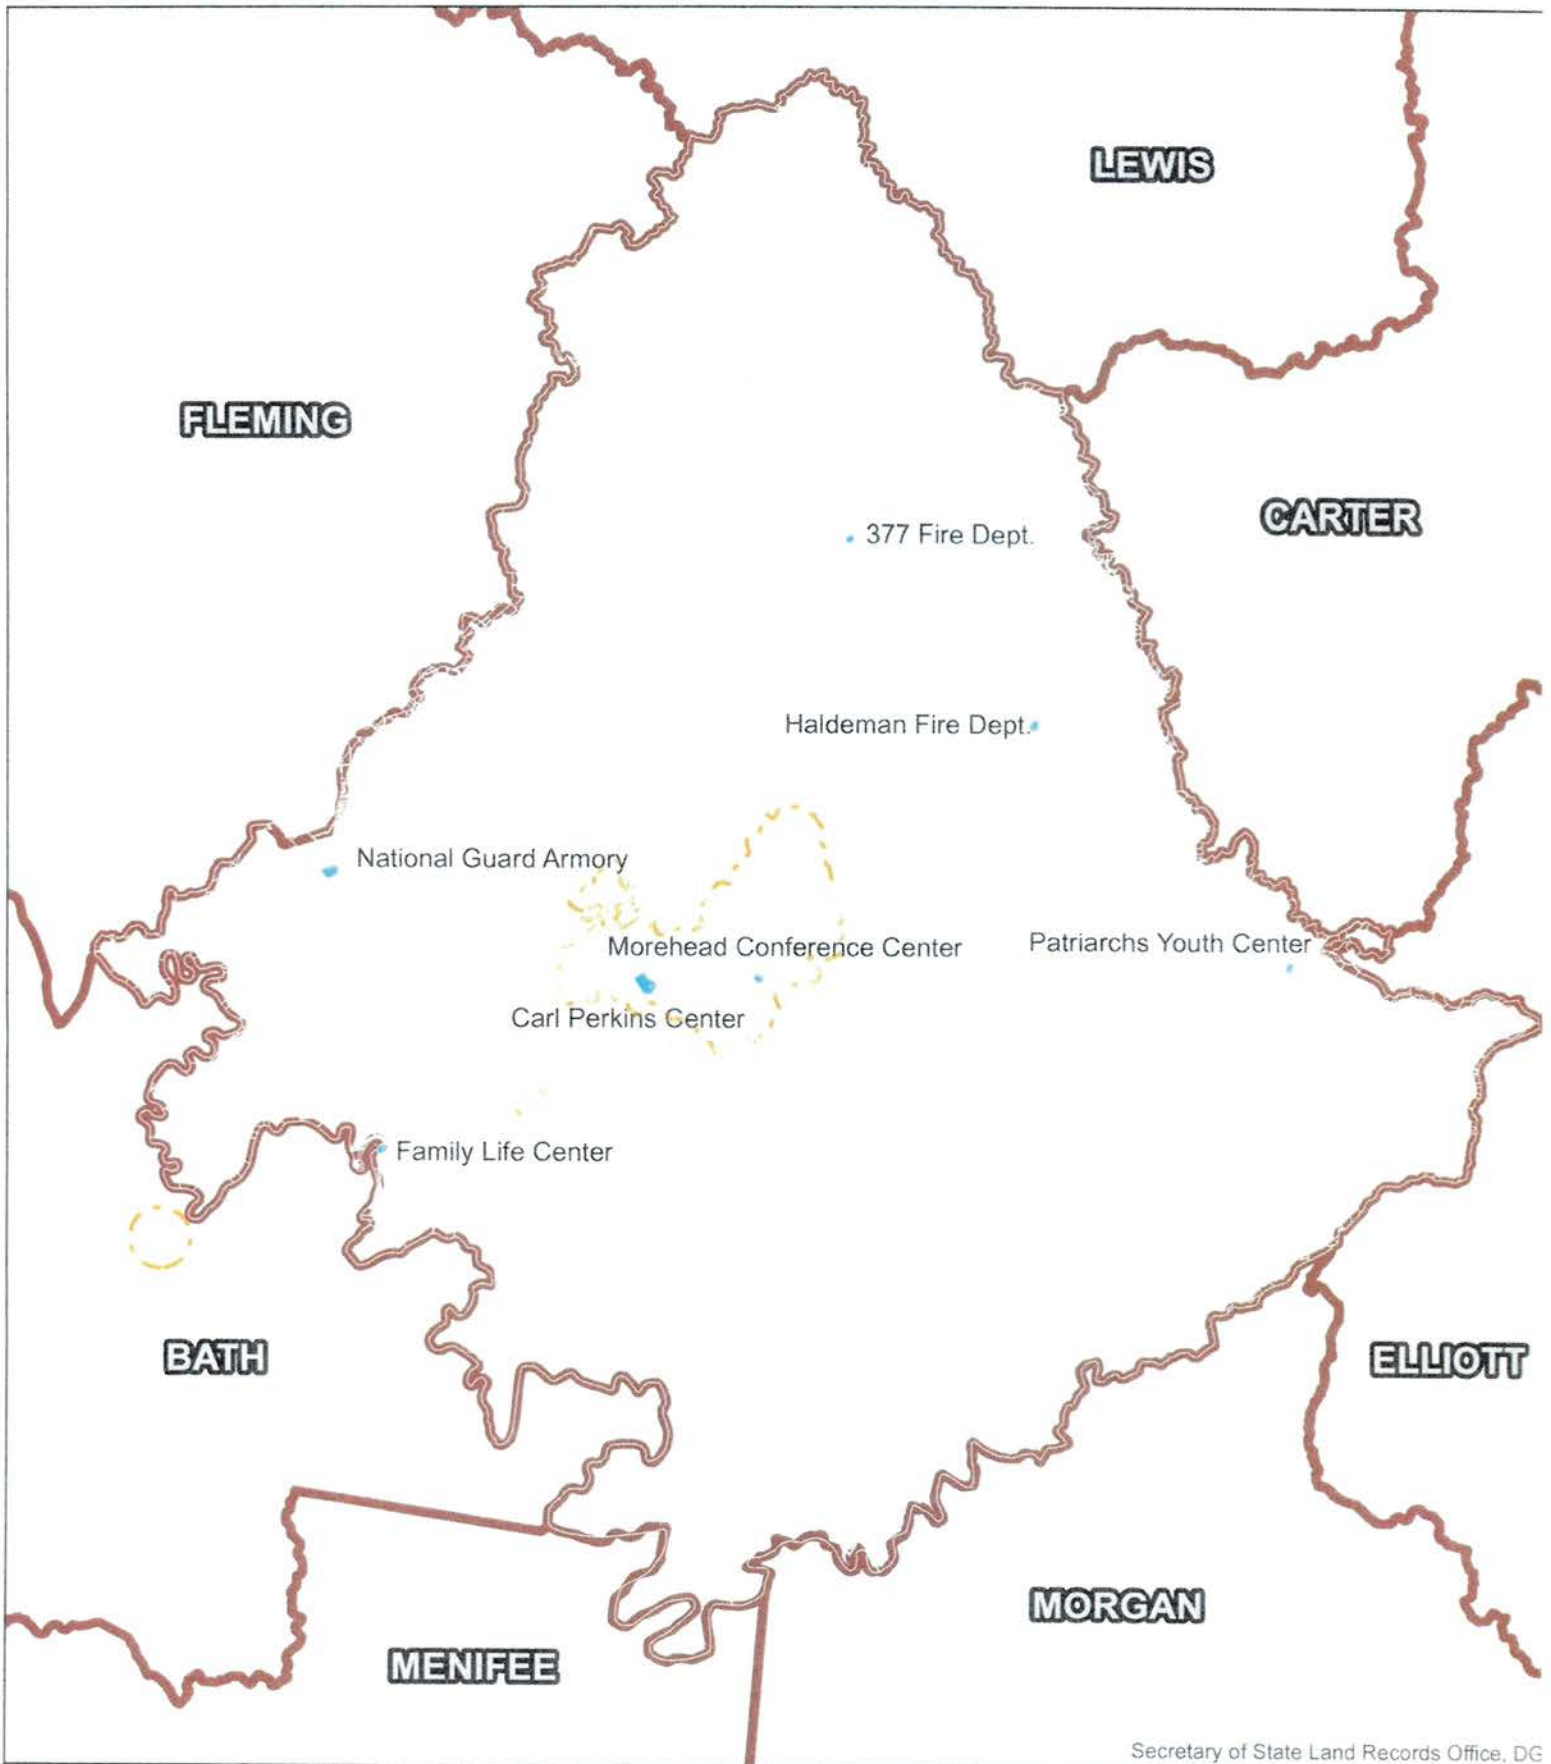

2/6/2024

Rowan County will be opening up all election precincts on election day. We would like to have anyone in the county to be able to vote at any location. We now have print on demand printers. The early voting will take place in the Carl Perkins Center just like always. Same as last election, I would like to have the Carl Perkins Center & the Morehead Conference Center named as Vote Centers. Basically my plan is the same as the last election except for the print on demand capability and requesting that voters be able to vote at any location in the county.

Sincerely,

A handwritten signature in blue ink, appearing to be "Elwood Caudill, Jr.", written over a horizontal line.
